Thanks/Thanks/Thanks

At the end of Term 1 I would like to thank the staff for their ongoing care, support and willingness to share their talents on a daily basis.

Thanks to all parents/carers for helping your children and for your positive communication with the school.

Most importantly, thanks to the students for being engaged, involved and active in their learning and for sharing their personalities.

On a daily basis I see students and adults behaving in so many ways to support our school motto of "a caring, learning community".

Term 2

Term 2 commences on Monday 15th April and we look forward to seeing everyone full of energy after a well earned holiday.

At assembly on Wednesday we talked about the need to continue with our school theme of Term 1 'Be Kind' during the holidays when mixing with families, friends and neighbours.

Term 2 will be a busy one and it will be a term when we see plenty of learning and personal and social development for all students.

Thanks again for your ongoing support and we wish everyone a restful and enjoyable holidays.
